Wash

Fluorescent breathable, wind and waterproof winter jacket with taped seams, specially designed for women. The jacket has a high neck and longer back. Double placket closure with zip and Velcro at the front. Two spacious side pockets, breast pocket and inside pocket, all with zip closure. Detachable hood with adjustment option and space for safety helmet. Adjustable storm cuff at the bottom, ensuring warmth in unpredictable weather. Ribbed wrists and collar, reducing the risk of drag. Reflectors across the shoulders and around the sleeves and waist. Class 2. Tested after 50 machine washes.
